d-COLOR P2021 and P2026

COLOUR LASER PRINTERS

The Olivetti d-Color P2021 and d-Color P2026 desktop colour laser printers are the perfect solution for small and medium size workgroup offering **high reliability, excellent print quality, low running cost.**

A new compact design that allow an **easy front access operability**. The standard cassette and duplex handle paper up to 163 g/m² from **A4 to A6 format**, while MPT and optional Multi-format cassette handle paper/envelopes **up to 220 g/m².**

The total paper capacity reaches up to 2.050 sheets (d-Color P2026) with 5 paper tray and 50-sheet by-pass.

Designed to be fast (first printout time < 9) & responsive (short warm up and calibration time) these models deliver **high productivity, thanks also to standard duplex function.**

Engineered to be **environmentally friendly**, they are based on long-life component technology, low ozone emission system, low noise printing & power consumption system.
