# So whats going on throughout the day?

## Never Lose a Document Again!

**Picture the scene**....you need to find and print out a vital document, and you can't remember the name of it. Worse still, your colleague is on holiday and you don't know where a file has been saved, and your customer is on the phone waiting for an answer.

At EBM we know how frustrating, time-consuming and counter-productive that is.

Which is why we are holding a **FREE** seminar to demonstrate how you can find these documents and files instantly.

We call it our Total Document Management Solution, Spielberg.

### **What is Spielberg?**

Spielberg provides instant access to all your documents. It will search through your files in seconds, retrieving vital information from deep within its contents - overcoming search queries or OCR errors.

So if you are interested in Spielberg, why not come along and see us on the 9th of September 2011.

**Frama Mailing Systems** - our special guests will be displaying various products from their range including the Matrix F4 franking machine, B400 Letter Opener and the P700 Folding Machine.

If you are looking to streamline your business mailing system and reduce your costs, then this will be an ideal exhibit for you.

**EBM** is a multi-vendor, to demonstrate this we have arranged for several manufacturers who will be available on the day offering different varieties of business machines all with a choice of options, solutions and apps to suit any office application.

**Toshiba** - will be demonstrating the new Carbon Zero Scheme, advising visitors how they can make their companies Print Fleet Carbon Free, right from manufacturing, delivery and their first 1 million prints!

**Lexmark** - will be displaying a range of their award winning A4 devices.

**Muratec** - is your company looking for a mono device? Muratec is a perfect manufacturer for you. With devices that print in mono and scan in colour Muratec has the leading edge in mono devices.

**TOSHIBA**  
Leading Innovation >>>

*We hope you will gain knowledge and foresight into the ever changing world of office equipment solutions.*

*On the day we will advise you how your company can effectively manage documents right from the initial point of handling, scanning input, to print or document storage and finally straight to exporting the document to either an email or by post.*

*We look forward to seeing you,*

*Yours Sincerely*

Michael Bailey  
Managing Director
